- A4. The Head of Disciplinary Investigations shall notify the Member or former Member that the Complaint has been received and shall be assessed.

Rule 3.3 The Head of Disciplinary Investigations shall assess every Complaint to determine whether it should be:

- (a) accepted as an Allegation for investigation under this Scheme; or

Outcome of Assessment by Head of Disciplinary Investigations

Rule 3.5 If the Head of Disciplinary Investigations considers that the Complaint does not meet any of the criteria set out in the Regulations, the Complaint shall be accepted as an Allegation. The Allegation will then be dealt with under Rule 7 of this Scheme.

Rule 3.6 If the Head of Disciplinary Investigations considers that one or more of the criteria are met, they shall refer the Complaint to an Assessment Panel with a recommendation that it is not accepted for investigation under this Scheme.

- A6.** When assessing the Complaint under Rules 3.5 and 3.6, the Head of Disciplinary Investigations shall record their assessment of the Complaint in writing. Good reasons for delay may include the need to obtain additional information under Regulation A8. If an assessment of the Complaint is not completed within seven days, the Head of Disciplinary Investigations shall provide reasons for the delay in their written assessment.

The Assessment Panel shall decide to accept or not to accept the entire Complaint for investigation under the Scheme. The Assessment Panel may not accept some instances of alleged Misconduct for investigation but not accept others.
